T.O.V.A. Kit Only System Requirements: Please make sure you have verified your computer's compatibility with the T.O.V.A. There are two ways to set up and launch the T.O.V.A.: EAV (External Audio/Video) and PTE (Precision Test Environment). The PTE can use your computer's built-in display and speakers, but does not work on all computers. Please make sure your computer meets the very specific system requirements. The EAV works with nearly all modern Windows and Mac computers, but it requires that you have a separate, external VGA display and speakers plugged directly into the T.O.V.A. USB device, even if your laptop or all-in-one computer has its own built-in screen and speakers.

Before ordering, please make sure your computer system matches the [T.O.V.A. system requirements](#).

Additional Test Credits: Test credits are used by the T.O.V.A. program whenever a test has been given in order to produce a report. T.O.V.A. kits come with 5 test credits ready to be used. Additional scoring credits are purchased through The TOVA Company. Cost per scoring credit, after the initial five, is \$15.00 USD each. There are Special Rate Programs available for selected Research, Training, Educational, & Government facilities, however, pre-approval is required and there is an application process. Please contact The TOVA Company for more information.

Schedule: Most orders are processed and shipped within 48 hours of receiving the order pending verification and inventory.

Returns: The TOVA Company offers a 30-day money back guarantee on the T.O.V.A. kit and unused test credits purchased with the initial kit order. If you are not satisfied for any reason, simply return the complete kit within 30 days of purchase for a complete refund (less shipping & any tests used). **Test credits purchased after the initial purchase of the kit are non-refundable.**

Warranty: Your TOVA device and hardware ("Product") are warranted against defects in materials and workmanship for a period of one (1) year from the date of original purchase ("Warranty Period"). If a defect arises during the Warranty Period, the TOVA Company will replace the Product at no charge. This warranty excludes damage resulting from abuse, accident, modifications, unauthorized repairs or other causes that are not defects in materials and workmanship. If the TOVA Company receives the Product and it is determined the damage resulted from these other causes, we will charge you for the full cost of the replacement part plus shipping. **Extended Warranty** adds an additional two (2) years and must be purchased within 30 days of original order.

Purchase Order Customers: If a quote is needed, please contact The TOVA Company, we will be happy to provide any information you require. Please send a copy of the purchase order with your order.

Bank Check or Wire Payments: Please contact The TOVA Company for bank wire information (info@tovacompany.com). Senders are responsible for any fees, deductions, or currency exchange shortages that may be removed from payments before they are received by The TOVA Company. Please specify to your bank or institution to state/write "ALL CHARGES OURS" or "NO CHARGES FOR BENEFICIARY" (written in English and YOUR language if different) in your sending instructions.
